Specifications of MAX110ACWE

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | MAX110ACWE                                                           |
| MANUFACTURER                     | Maxim Integrated                                                     |
| DESCRIPTION                      | IC ADC SERIAL 2CH 14BIT 16-SOIC                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| DATA SHEET                       | <a href="#">1.MAX110ACWE.pdf</a><br><a href="#">2.MAX110ACWE.pdf</a> |
| VOLTAGE - SUPPLY, DIGITAL        | ±5V                                                                  |
| VOLTAGE - SUPPLY, ANALOG         | ±5V                                                                  |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                              |
| SERIES                           | -                                                                    |
| SAMPLING RATE (PER SECOND)       | 50                                                                   |
| REFERENCE TYPE                   | External                                                             |
| RATIO - S/H:ADC                  | -                                                                    |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                       |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                           |
| NUMBER OF INPUTS                 | 2                                                                    |
| NUMBER OF BITS                   | 14                                                                   |
| NUMBER OF A/D CONVERTERS         | 1                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| INPUT TYPE                       | Differential                                                         |
| FEATURES                         | -                                                                    |
| DETAILED DESCRIPTION             | 14 Bit Analog to Digital Converter 2 Input 1 Sigma-Delta 16-SOIC     |
| DATA INTERFACE                   | SPI                                                                  |
| CONFIGURATION                    | MUX-ADC                                                              |
| BASE PART NUMBER                 | MAX110                                                               |
| ARCHITECTURE                     | Sigma-Delta                                                          |
