EFM8LB10F16E-A-QFP32R

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | EFM8LB10F16E-A-QFP32R                                                                                        |
| Manufacturer/Brand: | Energy Micro (Silicon Labs)                                                                                  |
| Product description | IC MCU 8BIT 16KB FLASH 32QFP                                                                                 |
| Datasheets:         |  EFM8LB10F16E-A-QFP32R.pdf  |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of EFM8LB10F16E-A-QFP32R

|                                  |                                                                                                               |

| DESCRIPTION                      | IC MCU 8BIT 16KB FLASH 32QFP                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                    |
| DATA SHEET                       |  EFM8LB10F16E-A-QFP32R.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.2 V ~ 3.6 V                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 32-QFP (7x7)                                                                                                  |
| SPEED                            | 72MHz                                                                                                         |
| SERIES                           | Laser Bee                                                                                                     |
| RAM SIZE                         | 1.25K x 8                                                                                                     |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                         |
| PROGRAM MEMORY SIZE              | 16KB (16K x 8)                                                                                                |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, WDT                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                                              |
| PACKAGE / CASE                   | 32-TQFP                                                                                                       |
| OSCILLATOR TYPE                  | Internal                                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                            |
| NUMBER OF I/O                    | 28                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                    |
| EEPROM SIZE                      | -                                                                                                             |
| DETAILED DESCRIPTION             | CIP-51 8051 Laser Bee Microcontroller IC 8-Bit 72MHz 16KB (16K x 8) FLASH 32-QFP (7x7)                        |
| DATA CONVERTERS                  | A/D 20x14b                                                                                                    |
| CORE SIZE                        | 8-Bit                                                                                                         |
| CORE PROCESSOR                   | CIP-51 8051                                                                                                   |
| CONNECTIVITY                     | I <sup>2</sup> C, SMBus, SPI, UART/USART                                                                      |
