## MJN1C-N-AC240

|                      |                                                                                                              |
|----------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:         | MJN1C-N-AC240                                                                                                |
| Manufacturer/Brand:  | Omron Automation & Safety                                                                                    |
| Product description: | RELAY GEN PURPOSE SPDT 10A 240V                                                                              |
| Datasheets:          | <a href="#">PDF MJN1C-N-AC240.pdf</a>                                                                        |
| RoHS Status:         |  Lead free / RoHS Compliant |
| Ship From:           | Hong Kong                                                                                                    |
| Shipment Way:        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

### Specifications of MJN1C-N-AC240

|                                  |                                                              |
|----------------------------------|--------------------------------------------------------------|
| PART NUMBER                      | MJN1C-N-AC240                                                |
| MANUFACTURER                     | Omron Automation & Safety                                    |
| DESCRIPTION                      | RELAY GEN PURPOSE SPDT 10A 240V                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| DATA SHEET                       | <a href="#">PDF MJN1C-N-AC240.pdf</a>                        |
| TURN ON VOLTAGE (MAX)            | 204 VAC                                                      |
| TURN OFF VOLTAGE (MIN)           | -                                                            |
| TERMINATION STYLE                | Plug In, Quick Connect - 0.187" (4.7mm)                      |
| SWITCHING VOLTAGE                | 600VAC, 28VDC - Max                                          |
| SERIES                           | MJN                                                          |
| RELEASE TIME                     | 10ms                                                         |
| RELAY TYPE                       | General Purpose                                              |
| PACKAGING                        | Bulk                                                         |
| OTHER NAMES                      | MJN1CNAC240                                                  |
| OPERATING TEMPERATURE            | -45°C ~ 60°C                                                 |
| OPERATE TIME                     | 20ms                                                         |
| MOUNTING TYPE                    | Socketable                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| FEATURES                         | LED Indicator                                                |
| DETAILED DESCRIPTION             | General Purpose Relay SPDT (1 Form C) 240VAC Coil Socketable |
| CONTACT RATING (CURRENT)         | 10A                                                          |
| CONTACT MATERIAL                 | Silver Alloy                                                 |
| CONTACT FORM                     | SPDT (1 Form C)                                              |
| COIL VOLTAGE                     | 240VAC                                                       |
| COIL TYPE                        | Non Latching                                                 |
| COIL RESISTANCE                  | 9.1 kOhms                                                    |
| COIL POWER                       | 1.7 VA                                                       |
| COIL CURRENT                     | 7.1mA                                                        |
