| DESCRIPTION                       | IC OPAMP GP 4.5MHZ RRO SOT23-6                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                        |  ISL28138FHZ-T7.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.4 V ~ 5.5 V, ±1.2 V ~ 2.75 V                                                                         |
| VOLTAGE - INPUT OFFSET            | 6µV                                                                                                    |
| SUPPLIER DEVICE PACKAGE           | SOT-23-6                                                                                               |
| SLEW RATE                         | 4.8 V/µs                                                                                               |
| SERIES                            | -                                                                                                      |
| PACKAGING                         | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                    | SOT-23-6                                                                                               |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                           |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                          |
| NUMBER OF CIRCUITS                | 1                                                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 2 (1 Year)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                             |
| GAIN BANDWIDTH PRODUCT            | 4.5MHz                                                                                                 |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail SOT-23-6                                              |
| CURRENT - SUPPLY                  | 900µA                                                                                                  |
| CURRENT - OUTPUT / CHANNEL        | 75mA                                                                                                   |
| CURRENT - INPUT BIAS              | 1pA                                                                                                    |
| BASE PART NUMBER                  | ISL28138                                                                                               |
| AMPLIFIER TYPE                    | General Purpose                                                                                        |
| -3DB BANDWIDTH                    | 13MHz                                                                                                  |
