|                     |                                                                          |
|---------------------|--------------------------------------------------------------------------|
| Part Number:        | MAX9943AUA+T                                                             |
| Manufacturer/Brand: | Maxim Integrated                                                         |
| Product description | IC OPAMP GP 2.4MHZ RRO 8UMAX                                             |
| Datasheets:         | <a href="#">1.MAX9943AUA+T.pdf</a><br><a href="#">2.MAX9943AUA+T.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                               |
| Ship From           | Hong Kong                                                                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                    |

Specifications of MAX9943AUA+T

|                                   |                                                                          |
|-----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                       | MAX9943AUA+T                                                             |
| MANUFACTURER                      | Maxim Integrated                                                         |
| DESCRIPTION                       | IC OPAMP GP 2.4MHZ RRO 8UMAX                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| DATA SHEET                        | <a href="#">1.MAX9943AUA+T.pdf</a><br><a href="#">2.MAX9943AUA+T.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 6 V ~ 38 V, ±3 V ~ 19 V                                                  |
| VOLTAGE - INPUT OFFSET            | 20µV                                                                     |
| SUPPLIER DEVICE PACKAGE           | 8-uMAX                                                                   |
| SLEW RATE                         | 0.35 V/µs                                                                |
| SERIES                            | -                                                                        |
| PACKAGING                         | Cut Tape (CT)                                                            |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                   |
| OUTPUT TYPE                       | Rail-to-Rail                                                             |
| OTHER NAMES                       | MAX9943AUA+CT                                                            |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                            |
| NUMBER OF CIRCUITS                | 1                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                               |
| GAIN BANDWIDTH PRODUCT            | 2.4MHz                                                                   |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail 8-uMAX                  |
| CURRENT - SUPPLY                  | 550µA                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 20mA                                                                     |
| CURRENT - INPUT BIAS              | 4nA                                                                      |
| AMPLIFIER TYPE                    | General Purpose                                                          |
