| DESCRIPTION                      | IC DAC NANO 12BIT DUAL 10MSOP                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DATA SHEET                       |  <a href="#">AD5623RARMZ-5REEL7.pdf</a> |
| VOLTAGE - SUPPLY, DIGITAL        | 5V                                                                                                                         |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP                                                                                                                    |
| SETTLING TIME                    | 4.5µs                                                                                                                      |
| SERIES                           | nanoDAC®                                                                                                                   |
| REFERENCE TYPE                   | External, Internal                                                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                                                   |
| OUTPUT TYPE                      | Voltage - Buffered                                                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                                              |
| NUMBER OF D/A CONVERTERS         | 2                                                                                                                          |
| NUMBER OF BITS                   | 12                                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| INL/DNL (LSB)                    | ±1, ±1 (Max)                                                                                                               |
| DIFFERENTIAL OUTPUT              | No                                                                                                                         |
| DETAILED DESCRIPTION             | 12 Bit Digital to Analog Converter 2 10-MSOP                                                                               |
| DATA INTERFACE                   | SPI, DSP                                                                                                                   |
