| DATA SHEET                       |  <a href="#">MPC860SRZQ50D4R2.pdf</a> |
| VOLTAGE - I/O                    | 3.3V                                                                                                                     |
| USB                              | -                                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 357-PBGA (25x25)                                                                                                         |
| SPEED                            | 50MHz                                                                                                                    |
| SERIES                           | MPC8xx                                                                                                                   |
| SECURITY FEATURES                | -                                                                                                                        |
| SATA                             | -                                                                                                                        |
| RAM CONTROLLERS                  | DRAM                                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | 357-BBGA                                                                                                                 |
| OPERATING TEMPERATURE            | 0°C ~ 95°C (TA)                                                                                                          |
| NUMBER OF CORES/BUS WIDTH        | 1 Core, 32-Bit                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                       |
| GRAPHICS ACCELERATION            | No                                                                                                                       |
| ETHERNET                         | 10 Mbps (4)                                                                                                              |
| DISPLAY & INTERFACE CONTROLLERS  | -                                                                                                                        |
| DETAILED DESCRIPTION             | MPC8xx Microprocessor IC MPC8xx 1 Core, 32-Bit 50MHz 357-PBGA (25x25)                                                    |
| CORE PROCESSOR                   | MPC8xx                                                                                                                   |
| CO-PROCESSORS/DSP                | Communications; CPM                                                                                                      |
| BASE PART NUMBER                 | MPC860                                                                                                                   |
| ADDITIONAL INTERFACES            | HDLC/SDLC, I <sup>2</sup> C, IrDA, PCMCIA, SPI, TDM, UART/USART                                                          |
