E3FN-P18KDR3T-WP-BL

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | E3FN-P18KDR3T-WP-BL                                                                                          |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                    |
| Product description | MEXLA,300MM,DIFF,PNP                                                                                         |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of E3FN-P18KDR3T-WP-BL

|                                  |                                     |
|----------------------------------|-------------------------------------|
| PART NUMBER                      | E3FN-P18KDR3T-WP-BL                 |
| MANUFACTURER                     | Omron Automation & Safety           |
| DESCRIPTION                      | MEXLA,300MM,DIFF,PNP                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant          |
| DATA SHEET                       |                                     |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                         |
| SERIES                           | -                                   |
| SENSING METHOD                   | Reflective, Diffuse                 |
| SENSING DISTANCE                 | 11.811" (300mm)                     |
| RESPONSE TIME                    | 10ms                                |
| OUTPUT CONFIGURATION             | PNP - Dark-ON/Light-ON - Selectable |
| OTHER NAMES                      | E3FNP18KDR3TWPBL                    |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                       |
| LIGHT SOURCE                     | Infrared                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant          |
| INGRESS PROTECTION               | IEC IP67, EN60947-5-2: EMC          |
| CONNECTION METHOD                | Cable                               |
| ADJUSTMENT TYPE                  | -                                   |
