| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                        |
| TYPE                             | Transceiver                                                          |
| SUPPLIER DEVICE PACKAGE          | 28-SSOP                                                              |
| SERIES                           | -                                                                    |
| RECEIVER HYSTERESIS              | 500mV                                                                |
| PROTOCOL                         | RS232                                                                |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 28-SSOP (0.209", 5.30mm Width)                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                         |
| NUMBER OF DRIVERS/RECEIVERS      | 4/5                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DUPLEX                           | Full                                                                 |
| DETAILED DESCRIPTION             | 4/5 Transceiver Full RS232 28-SSOP                                   |
| DATA RATE                        | 120Kbps                                                              |
