Specifications of SN74HC241DW

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | SN74HC241DW                                                              |
| MANUFACTURER                     | N/A                                                                      |
| DESCRIPTION                      | IC BUFFER NON-INVERT 6V 20SOIC                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DATA SHEET                       |                                                                          |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                                |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                  |
| SERIES                           | 74HC                                                                     |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                           |
| OUTPUT TYPE                      | 3-State                                                                  |
| OTHER NAMES                      | 296-8270-5                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                        |
| NUMBER OF ELEMENTS               | 2                                                                        |
| NUMBER OF BITS PER ELEMENT       | 4                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                  |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INPUT TYPE                       | -                                                                        |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 4 Bit per Element 3-State Output 20-SOIC |
| CURRENT - OUTPUT HIGH, LOW       | 7.8mA, 7.8mA                                                             |
| BASE PART NUMBER                 | 74HC241                                                                  |
