CYUSB3328-88LTXI

|                     |                                                                                                                        |
|---------------------|------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | CYUSB3328-88LTXI                                                                                                       |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                                  |
| Product description | IC USB 3.0 HUB 8-PORT 88QFN                                                                                            |
| Datasheets:         |  <a href="#">CYUSB3328-88LTXI.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant           |
| Ship From           | Hong Kong                                                                                                              |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                  |

REQUEST FOR QUOTATION

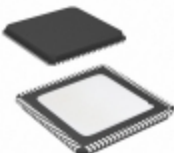

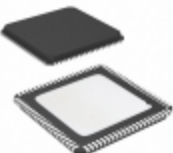

Specifications of CYUSB3328-88LTXI

|                                  |                                                                                                                          |

| MANUFACTURER                     | Cypress Semiconductor                                                                                                    |
| DESCRIPTION                      | IC USB 3.0 HUB 8-PORT 88QFN                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DATA SHEET                       |  <a href="#">CYUSB3328-88LTXI.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.14 V ~ 1.26 V                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 88-QFN (10x10)                                                                                                           |
| SERIES                           | HX3                                                                                                                      |
| RAM SIZE                         | 16K x 8                                                                                                                  |
| PROGRAM MEMORY TYPE              | ROM (32 kB)                                                                                                              |
| PACKAGING                        | Tray                                                                                                                     |
| PACKAGE / CASE                   | 88-TFQFN Exposed Pad                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                             |
| NUMBER OF I/O                    | 10                                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 22 Weeks                                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| INTERFACE                        | GPIO, I²C                                                                                                                |
| CORE PROCESSOR                   | ARM® Cortex®-M0                                                                                                          |
| CONTROLLER SERIES                | CYUSB                                                                                                                    |
| APPLICATIONS                     | USB 3.0 Hub Controller                                                                                                   |
