| PART NUMBER                      | E2B-S08LN02-MC-C1                                                    |
| MANUFACTURER                     | Omron Automation & Safety                                            |
| DESCRIPTION                      | SINGLE M8 LONG M8 CN NPN NO                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| DATA SHEET                       |                                                                      |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                          |
| TERMINATION STYLE                | Connector                                                            |
| SHIELDING                        | Unshielded                                                           |
| SERIES                           | E2B                                                                  |
| SENSOR TYPE                      | Inductive                                                            |
| SENSING DISTANCE                 | 0.079" (2mm)                                                         |
| RESPONSE FREQUENCY               | 1kHz                                                                 |
| PACKAGE / CASE                   | Cylinder, Threaded - M8                                              |
| OUTPUT TYPE                      | NPN-NO, 3-Wire                                                       |
| OTHER NAMES                      | E2BS08LN02MCC1                                                       |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| MATERIAL - BODY                  | Stainless Steel                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 19 Weeks                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| INGRESS PROTECTION               | IP67                                                                 |
| INDICATOR                        | LED                                                                  |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.079" (2mm) IP67 Cylinder, Threaded - M8 |
