

NXP Semiconductors / Freescale

Image may be representation. See specifications for product details.

Part Number: MF3MODH2101DA4/05,  
Manufacturer/Brand: NXP Semiconductors / Freescale  
Product description: IC SMART CARD 2K EEPROM PLLMC  
Datasheets:  
RoHS Status:  Lead free / RoHS Compliant  
Ship From: Hong Kong  
Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MF3MODH2101DA4/05,

|                                  |                                                                             |
|----------------------------------|-----------------------------------------------------------------------------|
| PART NUMBER                      | MF3MODH2101DA4/05,                                                          |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                              |
| DESCRIPTION                      | IC SMART CARD 2K EEPROM PLLMC                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| DATA SHEET                       |                                                                             |
| VOLTAGE - SUPPLY                 | -                                                                           |
| TYPE                             | RFID Transponder                                                            |
| SUPPLIER DEVICE PACKAGE          | -                                                                           |
| STANDARDS                        | ISO 14443, MIFARE                                                           |
| SERIES                           | MIFARE®                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                            |
| PACKAGE / CASE                   | MOA2, Smart Card Module                                                     |
| OTHER NAMES                      | 935293426118                                                                |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| INTERFACE                        | UART                                                                        |
| FREQUENCY                        | 13.56MHz                                                                    |
| DETAILED DESCRIPTION             | RFID Transponder IC 13.56MHz ISO 14443, MIFARE UART MOA2, Smart Card Module |
