| VOLTAGE - OUTPUT                 | 0.8 V ~ 3.975 V                                                                       |
| VOLTAGE - INPUT                  | 2.6 V ~ 5.5 V                                                                         |
| SUPPLIER DEVICE PACKAGE          | 40-TQFN-EP (5x5)                                                                      |
| SERIES                           | -                                                                                     |
| PACKAGING                        | Tube                                                                                  |
| PACKAGE / CASE                   | 40-WFQFN Exposed Pad                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                          |
| NUMBER OF OUTPUTS                | 6                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                               |
| DETAILED DESCRIPTION             | - Power Management - Hand-Held Devices Voltage Regulator IC 6 Output 40-TQFN-EP (5x5) |
| APPLICATIONS                     | Power Management - Hand-Held Devices                                                  |
