

D6F90 LFS

|                     |                              |
|---------------------|------------------------------|
| Part Number:        | D6F90 LFS                    |
| Manufacturer/Brand: | C&K                          |
| Product description | SWITCH PUSH SPST-NO 0.1A 32V |
| Datasheets:         | D6F90 LFS.pdf                |
| RoHs Status         | Lead free / RoHS Compliant   |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

REQUEST FOR QUOTATION

Specifications of D6F90 LFS

|                                  |                                                                      |

| VOLTAGE RATING - DC              | 32V                                                                  |
| TYPE                             | Keyswitch                                                            |
| TERMINATION STYLE                | PC Pin                                                               |
| SWITCH FUNCTION                  | Off-Mom                                                              |
| SERIES                           | D6                                                                   |
| PANEL CUTOUT DIMENSIONS          | -                                                                    |
| PACKAGING                        | Bulk                                                                 |
| OTHER NAMES                      | *D6F90 LFS<br>401-1892<br>D6 F 90 LFS<br>D6F90LFS<br>Y41A00301FP LFS |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                         |
| MOUNTING TYPE                    | Through Hole                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| MECHANICAL LIFE                  | -                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| INGRESS PROTECTION               | -                                                                    |
| ILLUMINATION VOLTAGE (NOMINAL)   | -                                                                    |
| ILLUMINATION TYPE, COLOR         | -                                                                    |
| FEATURES                         | Tactile Feedback                                                     |
| ELECTRICAL LIFE                  | 250,000 Cycles                                                       |
| DETAILED DESCRIPTION             | Pushbutton Switch SPST-NO Keyswitch Through Hole                     |
| CURRENT RATING                   | 100mA (DC)                                                           |
| COLOR - ACTUATOR/CAP             | Black                                                                |
| CIRCUIT                          | SPST-NO                                                              |
| ACTUATOR TYPE                    | Round, Button, Flush                                                 |
