Specifications of SN74LVC1G126DSFR

|                                  |                                                                              |
|----------------------------------|------------------------------------------------------------------------------|
| PART NUMBER                      | SN74LVC1G126DSFR                                                             |
| MANUFACTURER                     | N/A                                                                          |
| DESCRIPTION                      | IC BUFFER NON-INVERT 5.5V 6SON                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| DATA SHEET                       |                                                                              |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 5.5 V                                                               |
| SUPPLIER DEVICE PACKAGE          | 6-SON (1x1)                                                                  |
| SERIES                           | 74LVC                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                             |
| PACKAGE / CASE                   | 6-XDFN                                                                       |
| OUTPUT TYPE                      | 3-State                                                                      |
| OTHER NAMES                      | 296-36724-2<br>SN74LVC1G126DSFR-ND                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                           |
| NUMBER OF ELEMENTS               | 1                                                                            |
| NUMBER OF BITS PER ELEMENT       | 1                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                      |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| INPUT TYPE                       | -                                                                            |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 1 Element 1 Bit per Element 3-State Output 6-SON (1x1) |
| CURRENT - OUTPUT HIGH, LOW       | 32mA, 32mA                                                                   |
| BASE PART NUMBER                 | 74LVC1G126                                                                   |
