| VOLTAGE - OUTPUT (MAX)           | 80V                                                                                                                     |
| VOLTAGE - ISOLATION              | 5000Vrms                                                                                                                |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.17V                                                                                                                   |
| VCE SATURATION (MAX)             | 300mV                                                                                                                   |
| TURN ON / TURN OFF TIME (TYP)    | -                                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 4-SMD                                                                                                                   |
| SERIES                           | NEPOC                                                                                                                   |
| RISE / FALL TIME (TYP)           | 3μs, 5μs                                                                                                                |
| PACKAGING                        | Tube                                                                                                                    |
| PACKAGE / CASE                   | 4-SMD, Gull Wing                                                                                                        |
| OUTPUT TYPE                      | Transistor                                                                                                              |
| OPERATING TEMPERATURE            | -55°C ~ 100°C                                                                                                           |
| NUMBER OF CHANNELS               | 1                                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                      |
| INPUT TYPE                       | AC, DC                                                                                                                  |
| DETAILED DESCRIPTION             | Optoisolator Transistor Output 5000Vrms 1 Channel 4-SMD                                                                 |
| CURRENT TRANSFER RATIO (MIN)     | 80% @ 5mA                                                                                                               |
| CURRENT TRANSFER RATIO (MAX)     | 400% @ 5mA                                                                                                              |
| CURRENT - OUTPUT / CHANNEL       | 50mA                                                                                                                    |
| CURRENT - DC FORWARD (IF) (MAX)  | 80mA                                                                                                                    |
