| DATA SHEET                       |  <a href="#">DS1744-70+.pdf</a> |
| VOLTAGE - SUPPLY, BATTERY        | -                                                                                                                  |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                      |
| TYPE                             | Clock/Calendar                                                                                                     |
| TIME FORMAT                      | HH:MM:SS (24 hr)                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 28-EDIP                                                                                                            |
| SERIES                           | -                                                                                                                  |
| PACKAGING                        | Tube                                                                                                               |
| PACKAGE / CASE                   | 28-DIP Module (0.600", 15.24mm)                                                                                    |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                         |
| MOUNTING TYPE                    | Through Hole                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                      |
| MEMORY SIZE                      | 32KB                                                                                                               |
| MANUFACTURER STANDARD LEAD TIME  | 14 Weeks                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| INTERFACE                        | Parallel                                                                                                           |
| FEATURES                         | Leap Year, NVSRAM, Y2K                                                                                             |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar 32KB Parallel 28-DIP Module (0.600", 15.24mm)                              |
| DATE FORMAT                      | YY-MM-DD-dd                                                                                                        |
| CURRENT - TIMEKEEPING (MAX)      | 4mA @ 5V                                                                                                           |
| BASE PART NUMBER                 | DS1744                                                                                                             |
