| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                            |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP (14x14)                                                              |
| SERIES                           | -                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                             |
| PACKAGE / CASE                   | 64-LQFP                                                                      |
| OTHER NAMES                      | 82V1054APF8                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                           |
| INTERFACE                        | LIU                                                                          |
| INCLUDES                         | -                                                                            |
| FUNCTION                         | CODEC                                                                        |
| DETAILED DESCRIPTION             | Telecom IC CODEC 64-TQFP (14x14)                                             |
| CURRENT - SUPPLY                 | 50mA                                                                         |
| BASE PART NUMBER                 | IDT82V1054A                                                                  |
