| DESCRIPTION                      | IMAGE SENSOR CCD 1MP 64CLCC                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DATA SHEET                       |  KAI-1020-ABB-FD-BA.pdf |
| VOLTAGE - SUPPLY                 | 14.5 V ~ 15.5 V                                                                                            |
| TYPE                             | CCD                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 64-CLCC (18.29x18.29)                                                                                      |
| SERIES                           | -                                                                                                          |
| PIXEL SIZE                       | 7.4µm x 7.4µm                                                                                              |
| PACKAGING                        | Bulk                                                                                                       |
| PACKAGE / CASE                   | 64-BCQFN                                                                                                   |
| OPERATING TEMPERATURE            | -50°C ~ 70°C (TA)                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 9 Weeks                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| FRAMES PER SECOND                | 30                                                                                                         |
| DETAILED DESCRIPTION             | CCD Image Sensor 1000H x 1000V 7.4µm x 7.4µm 64-CLCC (18.29x18.29)                                         |
| ACTIVE PIXEL ARRAY               | 1000H x 1000V                                                                                              |
