| DESCRIPTION                       | IC VIDEO SWITCH SPST 8MSOP                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                        |  ADG751ARMZ-REEL.pdf |
| VOLTAGE - SUPPLY, SINGLE (V+)     | 1.8 V ~ 5.5 V                                                                                           |
| VOLTAGE - SUPPLY, DUAL (V±)       | -                                                                                                       |
| SWITCH CIRCUIT                    | SPST                                                                                                    |
| SUPPLIER DEVICE PACKAGE           | 8-MSOP                                                                                                  |
| SERIES                            | -                                                                                                       |
| PACKAGING                         | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                  |
| OTHER NAMES                       | ADG751ARMZ-REEL-ND<br>ADG751ARMZ-REELTR                                                                 |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                                       |
| ON-STATE RESISTANCE (MAX)         | 18 Ohm                                                                                                  |
| NUMBER OF CHANNELS                | 1                                                                                                       |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 1:1                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                           |
| MANUFACTURER STANDARD LEAD TIME   | 9 Weeks                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| FEATURES                          | T-Switch Configuration                                                                                  |
| DETAILED DESCRIPTION              | Video Switch IC 1 Channel 8-MSOP                                                                        |
| BASE PART NUMBER                  | ADG751                                                                                                  |
| APPLICATIONS                      | Video                                                                                                   |
| -3DB BANDWIDTH                    | 300MHz                                                                                                  |
