| VOLTAGE - INPUT                  | 4 V ~ 28 V                                                             |
| SUPPLIER DEVICE PACKAGE          | 16-TQFN (4x4)                                                          |
| SERIES                           | -                                                                      |
| SENSING METHOD                   | High-Side                                                              |
| PACKAGING                        | Tube                                                                   |
| PACKAGE / CASE                   | 16-WQFN Exposed Pad                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                           |
| MOUNTING TYPE                    | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| FUNCTION                         | Current Monitor                                                        |
| DETAILED DESCRIPTION             | Current Monitor Regulator High-Side 16-TQFN (4x4)                      |
| CURRENT - OUTPUT                 | -                                                                      |
| BASE PART NUMBER                 | MAX4211                                                                |
| ACCURACY                         | ±0.5%                                                                  |
