| DESCRIPTION                       | IC OPAMP GP 4MHZ RRO 8SOIC                                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                              |
| DATA SHEET                        |  <a href="#">AD8661ARZ-REEL7.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 16 V                                                                                                              |
| VOLTAGE - INPUT OFFSET            | 50µV                                                                                                                    |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                                  |
| SLEW RATE                         | 3.5 V/µs                                                                                                                |
| SERIES                            | DigiTrim®                                                                                                               |
| PACKAGING                         | Cut Tape (CT)                                                                                                           |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                           |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                            |
| OTHER NAMES                       | AD8661ARZ-REEL7CT                                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                           |
| NUMBER OF CIRCUITS                | 1                                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                           |
| MANUFACTURER STANDARD LEAD TIME   | 7 Weeks                                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                              |
| GAIN BANDWIDTH PRODUCT            | 4MHz                                                                                                                    |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail 8-SOIC                                                                 |
| CURRENT - SUPPLY                  | 1.25mA                                                                                                                  |
| CURRENT - OUTPUT / CHANNEL        | 140mA                                                                                                                   |
| CURRENT - INPUT BIAS              | 0.3pA                                                                                                                   |
| BASE PART NUMBER                  | AD8661                                                                                                                  |
| AMPLIFIER TYPE                    | General Purpose                                                                                                         |
