| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                                                     |
| TOPOLOGY                         | ADC, PWM Generator, Tach Counter                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 16-TQFN (5x5)                                                                                                                   |
| SERIES                           | -                                                                                                                               |
| SENSOR TYPE                      | Internal and External                                                                                                           |
| SENSING TEMPERATURE              | 0°C ~ 150°C, External Sensor                                                                                                    |
| PACKAGING                        | Tube                                                                                                                            |
| PACKAGE / CASE                   | 16-WQFN Exposed Pad                                                                                                             |
| OUTPUT TYPE                      | I <sup>2</sup> C/SMBus                                                                                                          |
| OUTPUT FAN                       | Yes                                                                                                                             |
| OUTPUT ALARM                     | Yes                                                                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                      |
| FUNCTION                         | Fan Control, Temp Monitor                                                                                                       |
| DETAILED DESCRIPTION             | Fan Control, Temp Monitor 0°C ~ 150°C, External Sensor Internal and External Sensor I <sup>2</sup> C/SMBus Output 16-TQFN (5x5) |
| BASE PART NUMBER                 | MAX6639                                                                                                                         |
| ACCURACY                         | ±2°C Local(Max), ±1°C Remote(Max)                                                                                               |
