

MB91F467DBPVSR-GS-N2K5E2

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | MB91F467DBPVSR-GS-N2K5E2       |
| Manufacturer/Brand: | Cypress Semiconductor          |
| Product description | IC MCU 32BIT 1MB FLASH 208HQFP |
| Datasheets:         |                                |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of MB91F467DBPVSR-GS-N2K5E2

|                                  |                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MB91F467DBPVSR-GS-N2K5E2                                                                           |
| MANUFACTURER                     | Cypress Semiconductor                                                                              |
| DESCRIPTION                      | IC MCU 32BIT 1MB FLASH 208HQFP                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |                                                                                                    |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 5.5 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 208-QFP (28x28)                                                                                    |
| SPEED                            | 96MHz                                                                                              |
| SERIES                           | FR MB91460D                                                                                        |
| RAM SIZE                         | 72K x 8                                                                                            |
| PROGRAM MEMORY TYPE              | FLASH                                                                                              |
| PROGRAM MEMORY SIZE              | 1.0625MB (1.0625M x 8)                                                                             |
| PERIPHERALS                      | DMA, LVD, PWM, WDT                                                                                 |
| PACKAGING                        | Tray                                                                                               |
| PACKAGE / CASE                   | 208-BQFP                                                                                           |
| OTHER NAMES                      | MB91F467DBPVSR-GS-N2E2<br>MB91F467DBPVSR-GS-N2E2-ND                                                |
| OSCILLATOR TYPE                  | External                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                 |
| NUMBER OF I/O                    | 170                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| EEPROM SIZE                      | -                                                                                                  |
| DETAILED DESCRIPTION             | FR60 RISC FR MB91460D Microcontroller IC 32-Bit 96MHz 1.0625MB (1.0625M x 8) FLASH 208-QFP (28x28) |
| DATA CONVERTERS                  | A/D 24x10b                                                                                         |
| CORE SIZE                        | 32-Bit                                                                                             |
| CORE PROCESSOR                   | FR60 RISC                                                                                          |
| CONNECTIVITY                     | CANbus, EBI/EMI, I <sup>2</sup> C, LINbus, UART/USART                                              |
