

Laird Technologies - Antennas

Part Number: PNL90206SC-183SMAM

Manufacturer/Brand: Laird Technologies - Antennas

Product description: RF ANT 915MHZ PANEL SMA MALE

Datasheets:  PNL90206SC-183SMAM.pdf

RoHS Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| DATA SHEET                       |  PNL90206SC-183SMAM.pdf |
| VSWR                             | 1.5                                                                                                        |
| TERMINATION                      | Connector, SMA Male                                                                                        |
| SERIES                           | -                                                                                                          |
| RETURN LOSS                      | -                                                                                                          |
| POWER - MAX                      | 10W                                                                                                        |
| PACKAGING                        | Bulk                                                                                                       |
| NUMBER OF BANDS                  | 1                                                                                                          |
| MOUNTING TYPE                    | Chassis Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| INGRESS PROTECTION               | -                                                                                                          |
| HEIGHT (MAX)                     | 2.594" (65.90mm)                                                                                           |
| GAIN                             | 6dBi                                                                                                       |
| FREQUENCY RANGE                  | 902MHz ~ 928MHz                                                                                            |
| FREQUENCY GROUP                  | UHF (300 MHz ~ 1 GHz)                                                                                      |
| FREQUENCY (CENTER/BAND)          | 915MHz                                                                                                     |
| FEATURES                         | -                                                                                                          |
| DETAILED DESCRIPTION             | 915MHz Panel RF Antenna 902MHz ~ 928MHz 6dBi Connector, SMA Male Chassis Mount                             |
| APPLICATIONS                     | -                                                                                                          |
| ANTENNA TYPE                     | Panel                                                                                                      |
