|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | MAX4203EUA                                                                                                           |
| Manufacturer/Brand: | Maxim Integrated                                                                                                     |
| Product description | IC OPAMP BUFFER 530MHZ 8UMAX                                                                                         |
| Datasheets:         | <a href="#">1.MAX4203EUA.pdf</a><br><a href="#">2.MAX4203EUA.pdf</a>                                                 |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of MAX4203EUA

|                                   |                                                                      |
|-----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                       | MAX4203EUA                                                           |
| MANUFACTURER                      | Maxim Integrated                                                     |
| DESCRIPTION                       | IC OPAMP BUFFER 530MHZ 8UMAX                                         |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                   |
| DATA SHEET                        | <a href="#">1.MAX4203EUA.pdf</a><br><a href="#">2.MAX4203EUA.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | ±4 V ~ 5.5 V                                                         |
| VOLTAGE - INPUT OFFSET            | 1mV                                                                  |
| SUPPLIER DEVICE PACKAGE           | 8-uMAX                                                               |
| SLEW RATE                         | 4200 V/μs                                                            |
| SERIES                            | -                                                                    |
| PACKAGING                         | Tube                                                                 |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                               |
| OUTPUT TYPE                       | -                                                                    |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                         |
| NUMBER OF CIRCUITS                | 2                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                   |
| DETAILED DESCRIPTION              | Buffer Amplifier 2 Circuit 8-uMAX                                    |
| CURRENT - SUPPLY                  | 2.2mA                                                                |
| CURRENT - OUTPUT / CHANNEL        | 90mA                                                                 |
| CURRENT - INPUT BIAS              | 800nA                                                                |
| BASE PART NUMBER                  | MAX4203                                                              |
| AMPLIFIER TYPE                    | Buffer                                                               |
| -3DB BANDWIDTH                    | 530MHz                                                               |
