| DESCRIPTION                      | SENSOR SWITCH LOGIC SLOTTED OPT                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                              |
| DATA SHEET                       |  OPB917B.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 16 V                                                                                    |
| SERIES                           | Photologic®                                                                                     |
| SENSING METHOD                   | Transmissive                                                                                    |
| SENSING DISTANCE                 | 0.200" (5.08mm)                                                                                 |
| RESPONSE TIME                    | 50ns                                                                                            |
| PACKAGE / CASE                   | Module, Pre-Wired                                                                               |
| OUTPUT CONFIGURATION             | Pull-Up Resistor, Buffer                                                                        |
| OTHER NAMES                      | 365-1022                                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 80°C (TA)                                                                               |
| MOUNTING TYPE                    | Chassis Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                              |
| DETAILED DESCRIPTION             | Optical Sensor Transmissive 0.200" (5.08mm) Module, Pre-Wired                                   |
| CURRENT - SUPPLY                 | 7mA                                                                                             |
