| DESCRIPTION                      | IC CCFL CNTRLR DUAL 28TSSOP                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                       |
| DATA SHEET                       |  <a href="#">DS3882E+.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                                  |
| TYPE                             | CCFL Controller                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 28-TSSOP                                                                                                         |
| SERIES                           | -                                                                                                                |
| PACKAGING                        | Tube                                                                                                             |
| PACKAGE / CASE                   | 28-TSSOP (0.173", 4.40mm Width)                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                       |
| FREQUENCY                        | 40kHz ~ 100kHz                                                                                                   |
| DIMMING                          | Yes                                                                                                              |
| CURRENT - SUPPLY                 | 12mA                                                                                                             |
| CURRENT - OUTPUT SOURCE/SINK     | -                                                                                                                |
| BASE PART NUMBER                 | DS3882                                                                                                           |
