MPS-032TSNP0

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | MPS-032TSNP0                  |
| Manufacturer/Brand: | SICK                          |
| Product description | SENSOR LINEAR 32MM CBL W/CONN |
| Datasheets:         |                               |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

| MANUFACTURER                            | SICK                                                                                                                |
| DESCRIPTION                             | SENSOR LINEAR 32MM CBL W/CONN                                                                                       |
| LEAD FREE STATUS / ROHS STATUS          |                                                                                                                     |
| DATA SHEET                              |                                                                                                                     |
| VOLTAGE - SUPPLY                        | 15 V ~ 30 V                                                                                                         |
| TERMINATION STYLE                       | Cable with Connector                                                                                                |
| TECHNOLOGY                              | LVIT (Linear Variable Inductance Transducer)                                                                        |
| SUPPLIER DEVICE PACKAGE                 | -                                                                                                                   |
| SERIES                                  | -                                                                                                                   |
| ROTATION ANGLE - ELECTRICAL, MECHANICAL | -                                                                                                                   |
| RESISTANCE TOLERANCE                    | -                                                                                                                   |
| PACKAGING                               | Bulk                                                                                                                |
| PACKAGE / CASE                          | Module                                                                                                              |
| OUTPUT SIGNAL                           | -                                                                                                                   |
| OUTPUT                                  | 0 V ~ 10 V                                                                                                          |
| OTHER NAMES                             | 1053835                                                                                                             |
| OPERATING TEMPERATURE                   | -20°C ~ 70°C (TA)                                                                                                   |
| MOUNTING TYPE                           | Chassis Mount                                                                                                       |
| MANUFACTURER STANDARD LEAD TIME         | 3 Weeks                                                                                                             |
| LINEARITY                               | -                                                                                                                   |
| LINEAR RANGE                            | 0 ~ 32.00mm (0 ~ 1.26")                                                                                             |
| FOR MEASURING                           | Linear Position                                                                                                     |
| DETAILED DESCRIPTION                    | LVIT (Linear Variable Inductance Transducer) Sensor Linear Position Flexible Membrane - Linear Cable with Connector |
| ACTUATOR TYPE                           | Flexible Membrane - Linear                                                                                          |
