| DESCRIPTION                       | IC COMP W/REF LP DUAL 8-SOIC                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                        |  LTC1441IS8#PBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2 V ~ 11 V, ±1 V ~ 5.5 V                                                                               |
| VOLTAGE - INPUT OFFSET (MAX)      | 10mV @ 5V                                                                                              |
| TYPE                              | General Purpose                                                                                        |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                 |
| SERIES                            | -                                                                                                      |
| PROPAGATION DELAY (MAX)           | 15µs                                                                                                   |
| PACKAGING                         | Tube                                                                                                   |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                          |
| OUTPUT TYPE                       | CMOS, TTL                                                                                              |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                           |
| NUMBER OF ELEMENTS                | 2                                                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                          |
| MANUFACTURER STANDARD LEAD TIME   | 12 Weeks                                                                                               |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                             |
| HYSTERESIS                        | -                                                                                                      |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, TTL 8-SOIC                                                            |
| CURRENT - QUIESCENT (MAX)         | 5.7µA                                                                                                  |
| CURRENT - OUTPUT (TYP)            | 40mA                                                                                                   |
| CURRENT - INPUT BIAS (MAX)        | -                                                                                                      |
| CMRR, PSRR (TYP)                  | 80dB CMRR, 80dB PSRR                                                                                   |
| BASE PART NUMBER                  | LTC1441                                                                                                |
