| PART NUMBER                      | XR16L784CVTR-F                                                                                                         |
| MANUFACTURER                     | Exar Corporation                                                                                                       |
| DESCRIPTION                      | IC UART FIFO 64B QUAD 64LQFP                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">XR16L784CVTR-F.pdf</a> |
| WITH MODEM CONTROL               | Yes                                                                                                                    |
| WITH IRDA ENCODER/DECODER        | Yes                                                                                                                    |
| WITH FALSE START BIT DETECTION   | Yes                                                                                                                    |
| WITH AUTO FLOW CONTROL           | Yes                                                                                                                    |
| VOLTAGE - SUPPLY                 | 2.97 V ~ 5.5 V                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 64-LQFP (10x10)                                                                                                        |
| SERIES                           | -                                                                                                                      |
| PROTOCOL                         | RS485                                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 64-LQFP                                                                                                                |
| NUMBER OF CHANNELS               | 4, QUART                                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| FEATURES                         | Internal Oscillator, Timer/Counter                                                                                     |
| FIFO'S                           | 64 Byte                                                                                                                |
| DATA RATE (MAX)                  | 6.25Mbps                                                                                                               |
