|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TLC374MDG4                                                                                                   |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC DIFF COMPARATOR QUAD 14-SOIC                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of TLC374MDG4

|                                   |                                                            |
|-----------------------------------|------------------------------------------------------------|
| PART NUMBER                       | TLC374MDG4                                                 |
| MANUFACTURER                      | N/A                                                        |
| DESCRIPTION                       | IC DIFF COMPARATOR QUAD 14-SOIC                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                 |
| DATA SHEET                        |                                                            |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4 V ~ 16 V, ±2 V ~ 8 V                                     |
| VOLTAGE - INPUT OFFSET (MAX)      | 5mV @ 5V                                                   |
| TYPE                              | Differential                                               |
| SUPPLIER DEVICE PACKAGE           | 14-SOIC                                                    |
| SERIES                            | LinCMOS™                                                   |
| PROPAGATION DELAY (MAX)           | -                                                          |
| PACKAGING                         | Tube                                                       |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                             |
| OUTPUT TYPE                       | CMOS, MOS, Open-Drain, TTL                                 |
| OPERATING TEMPERATURE             | -55°C ~ 125°C                                              |
| NUMBER OF ELEMENTS                | 4                                                          |
| MOUNTING TYPE                     | Surface Mount                                              |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                              |
| MANUFACTURER STANDARD LEAD TIME   | 20 Weeks                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                 |
| HYSTERESIS                        | -                                                          |
| DETAILED DESCRIPTION              | Comparator Differential CMOS, MOS, Open-Drain, TTL 14-SOIC |
| CURRENT - QUIESCENT (MAX)         | 800µA                                                      |
| CURRENT - OUTPUT (TYP)            | 20mA                                                       |
| CURRENT - INPUT BIAS (MAX)        | 5pA @ 5V                                                   |
| CMRR, PSRR (TYP)                  | -                                                          |
| BASE PART NUMBER                  | TLC374M                                                    |
