| MANUFACTURER                     | N/A                                                                               |
| DESCRIPTION                      | IC BUFFER NON-INVERT 3.6V 8UQFN                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                        |
| DATA SHEET                       |                                                                                   |
| VOLTAGE - SUPPLY                 | 0.8 V ~ 3.6 V                                                                     |
| SUPPLIER DEVICE PACKAGE          | 8-UQFN (1.5x1.5)                                                                  |
| SERIES                           | 74AUP                                                                             |
| PACKAGING                        | Original-Reel®                                                                    |
| PACKAGE / CASE                   | 8-UFQFN                                                                           |
| OUTPUT TYPE                      | 3-State                                                                           |
| OTHER NAMES                      | 296-27368-6                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                 |
| NUMBER OF ELEMENTS               | 2                                                                                 |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                     |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                           |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                        |
| INPUT TYPE                       | -                                                                                 |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 1 Bit per Element 3-State Output 8-UQFN (1.5x1.5) |
| CURRENT - OUTPUT HIGH, LOW       | 4mA, 4mA                                                                          |
| BASE PART NUMBER                 | 74AUP2G241                                                                        |
