

Honeywell Sensing and Productivity Solutions

Productivity Solutions

SSCDANN250MGAA5

Part Number:

SSCDANN250MGAA5

Manufacturer/Brand:

Honeywell Sensing and Productivity Solutions

Product description

BRD MNT PRESSURE SENSORS  
[1.SSCDANN250MGAA5.pdf](#)  
[2.SSCDANN250MGAA5.pdf](#)  
[3.SSCDANN250MGAA5.pdf](#)  
[4.SSCDANN250MGAA5.pdf](#)

Datasheets:

RoHs Status

 Lead free / RoHS Compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of SSCDANN250MGAA5

|                                  |                                                                                                                                                                  |

| DESCRIPTION                      | BRD MNT PRESSURE SENSORS                                                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                                                       |
| DATA SHEET                       | <a href="#">1.SSCDANN250MGAA5.pdf</a><br><a href="#">2.SSCDANN250MGAA5.pdf</a><br><a href="#">3.SSCDANN250MGAA5.pdf</a><br><a href="#">4.SSCDANN250MGAA5.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                                                                                  |
| TERMINATION STYLE                | PC Pin                                                                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-DIP                                                                                                                                                            |
| SERIES                           | TruStability® SSC                                                                                                                                                |
| PRESSURE TYPE                    | Vented Gauge                                                                                                                                                     |
| PORT STYLE                       | Barbed                                                                                                                                                           |
| PORT SIZE                        | Male - 0.19" (4.93mm) Tube                                                                                                                                       |
| PACKAGE / CASE                   | 8-DIP (0.524", 13.30mm), Top Port                                                                                                                                |
| OUTPUT TYPE                      | Analog Voltage                                                                                                                                                   |
| OUTPUT                           | 0.5 V ~ 4.5 V                                                                                                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                                                                     |
| OPERATING PRESSURE               | 3.63 PSI (25 kPa)                                                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                                                    |
| MAXIMUM PRESSURE                 | 20.31 PSI (140 kPa)                                                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                                                       |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                                                                        |
| DETAILED DESCRIPTION             | Pressure Sensor 3.63 PSI (25 kPa) Vented Gauge Male - 0.19" (4.93mm) Tube 0.5 V ~ 4.5 V 8-DIP (0.524", 13.30mm), Top Port                                        |
| ACCURACY                         | ±0.25%                                                                                                                                                           |
