Specifications of LM2750SDX-5.0

|                                  |                                                                                          |
|----------------------------------|------------------------------------------------------------------------------------------|
| PART NUMBER                      | LM2750SDX-5.0                                                                            |
| MANUFACTURER                     | N/A                                                                                      |
| DESCRIPTION                      | IC REG SWITCHD CAP 5V 10WSON                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                       |
| DATA SHEET                       |                                                                                          |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 5V                                                                                       |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                        |
| VOLTAGE - INPUT (MIN)            | 2.7V                                                                                     |
| VOLTAGE - INPUT (MAX)            | 5.6V                                                                                     |
| TOPOLOGY                         | Charge Pump                                                                              |
| SYNCHRONOUS RECTIFIER            | No                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 10-WSON (3x3)                                                                            |
| SERIES                           | -                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                         |
| PACKAGE / CASE                   | 10-WFDFN Exposed Pad                                                                     |
| OUTPUT TYPE                      | Fixed                                                                                    |
| OUTPUT CONFIGURATION             | Positive                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                       |
| NUMBER OF OUTPUTS                | 1                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                       |
| FUNCTION                         | Step-Up                                                                                  |
| FREQUENCY - SWITCHING            | 1.7MHz                                                                                   |
| DETAILED DESCRIPTION             | Charge Pump Switching Regulator IC Positive Fixed 5V 1 Output 120mA 10-WFDFN Exposed Pad |
| CURRENT - OUTPUT                 | 120mA                                                                                    |
