Specifications of LT1993IUD-4#PBF

|                                   |                                                                                                                         |
|-----------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | LT1993IUD-4#PBF                                                                                                         |
| MANUFACTURER                      | ADI (Analog Devices, Inc.)                                                                                              |
| DESCRIPTION                       | IC OPAMP DIFF 900MHZ 16QFN                                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                              |
| DATA SHEET                        |  <a href="#">LT1993IUD-4#PBF.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4 V ~ 5.5 V, ±2 V ~ 2.5 V                                                                                               |
| VOLTAGE - INPUT OFFSET            | 1mV                                                                                                                     |
| SUPPLIER DEVICE PACKAGE           | 16-QFN-EP (3x3)                                                                                                         |
| SLEW RATE                         | 1100 V/μs                                                                                                               |
| SERIES                            | -                                                                                                                       |
| PACKAGING                         | Tube                                                                                                                    |
| PACKAGE / CASE                    | 16-WFQFN Exposed Pad                                                                                                    |
| OUTPUT TYPE                       | Differential                                                                                                            |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                            |
| NUMBER OF CIRCUITS                | 2                                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                           |
| MANUFACTURER STANDARD LEAD TIME   | 12 Weeks                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                              |
| DETAILED DESCRIPTION              | Differential Amplifier 2 Circuit Differential 16-QFN-EP (3x3)                                                           |
| CURRENT - SUPPLY                  | 100mA                                                                                                                   |
| CURRENT - OUTPUT / CHANNEL        | 45mA                                                                                                                    |
| CURRENT - INPUT BIAS              | 5μA                                                                                                                     |
| BASE PART NUMBER                  | LT1993                                                                                                                  |
| AMPLIFIER TYPE                    | Differential                                                                                                            |
