| MANUFACTURER                   | Grayhill, Inc.                                                 |
| DESCRIPTION                    | SWITCH ROTARY PANEL SEAL, 45 DEG                               |
| LEAD FREE STATUS / ROHS STATUS | RoHS Compliant                                                 |
| DATA SHEET                     |                                                                |
| VOLTAGE RATING - DC            | 28V                                                            |
| VOLTAGE RATING - AC            | 115V                                                           |
| TERMINATION STYLE              | Solder Lug                                                     |
| SERIES                         | 09                                                             |
| ROHS STATUS                    | RoHS Compliant                                                 |
| PANEL CUTOUT DIMENSIONS        | -                                                              |
| OPERATING FORCE                | -                                                              |
| NUMBER OF POSITIONS            | 8                                                              |
| NUMBER OF POLES PER DECK       | 1                                                              |
| NUMBER OF DECKS                | 2                                                              |
| MOUNTING TYPE                  | Panel Mount                                                    |
| INDEX STOPS                    | Fixed                                                          |
| FEATURES                       | Shaft and Panel Sealed                                         |
| DETAILED DESCRIPTION           | Rotary Switch 8 Position SP8T 250mA (AC/DC) 115VAC Panel Mount |
| DEPTH BEHIND PANEL             | 31.19mm                                                        |
| CURRENT RATING                 | 250mA (AC/DC)                                                  |
| CONTACT TIMING                 | Non-Shorting (BBM)                                             |
| CONTACT MATERIAL               | Silver Alloy                                                   |
| CONTACT FINISH                 | Gold                                                           |
| CIRCUIT PER DECK               | SP8T                                                           |
| ANGLE OF THROW                 | 45°                                                            |
| ACTUATOR TYPE                  | Flatted (3.17mm Dia)                                           |
| ACTUATOR LENGTH                | 9.53mm                                                         |
