

SN74LVT32244GKER

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | SN74LVT32244GKER               |
| Manufacturer/Brand: | N/A                            |
| Product description | IC BUF NON-INVERT 3.6V 96LFBGA |
| Datasheets:         |                                |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

Specifications of SN74LVT32244GKER

|                                  |                                                                                      |
|----------------------------------|--------------------------------------------------------------------------------------|
| PART NUMBER                      | SN74LVT32244GKER                                                                     |
| MANUFACTURER                     | N/A                                                                                  |
| DESCRIPTION                      | IC BUF NON-INVERT 3.6V 96LFBGA                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| DATA SHEET                       |                                                                                      |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                        |
| SUPPLIER DEVICE PACKAGE          | 96-LFBGA (13.5x5.5)                                                                  |
| SERIES                           | 74LVT                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                     |
| PACKAGE / CASE                   | 96-LFBGA                                                                             |
| OUTPUT TYPE                      | 3-State                                                                              |
| OTHER NAMES                      | 296-8653-2                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                    |
| NUMBER OF ELEMENTS               | 8                                                                                    |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                        |
| MANUFACTURER STANDARD LEAD TIME  | 26 Weeks                                                                             |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| INPUT TYPE                       | -                                                                                    |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 8 Element 4 Bit per Element 3-State Output 96-LFBGA (13.5x5.5) |
| CURRENT - OUTPUT HIGH, LOW       | 32mA, 64mA                                                                           |
| BASE PART NUMBER                 | 74LVT32244                                                                           |
