Specifications of CY7C4241-15JXC

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | CY7C4241-15JXC                                                                                                         |
| MANUFACTURER                     | Cypress Semiconductor                                                                                                  |
| DESCRIPTION                      | IC SYNC FIFO MEM 4KX9 32-PLCC                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DATA SHEET                       |  <a href="#">CY7C4241-15JXC.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 32-PLCC (11.43x13.97)                                                                                                  |
| SERIES                           | CY7C                                                                                                                   |
| RETRANSMIT CAPABILITY            | No                                                                                                                     |
| PROGRAMMABLE FLAGS SUPPORT       | Yes                                                                                                                    |
| PACKAGING                        | Tube                                                                                                                   |
| PACKAGE / CASE                   | 32-LCC (J-Lead)                                                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| MEMORY SIZE                      | 36K (4K x 9)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| FUNCTION                         | Synchronous                                                                                                            |
| FWFT SUPPORT                     | No                                                                                                                     |
| EXPANSION TYPE                   | Depth, Width                                                                                                           |
| DATA RATE                        | 66.7MHz                                                                                                                |
| CURRENT - SUPPLY (MAX)           | 35mA                                                                                                                   |
| BUS DIRECTIONAL                  | Uni-Directional                                                                                                        |
| BASE PART NUMBER                 | 7C4241                                                                                                                 |
| ACCESS TIME                      | 10ns                                                                                                                   |
