

RPM7238-V4R

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | RPM7238-V4R                                                                                                  |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | RECEIVER REMOTE CTRL 37.9KHZ L                                                                               |
| Datasheets:         |  RPM7238-V4R.pdf            |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| DESCRIPTION                      | RECEIVER REMOTE CTRL 37.9KHZ L                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  RPM7238-V4R.pdf |
| VOLTAGE - SUPPLY                 | 2.7V ~ 3.6V                                                                                         |
| SERIES                           | RPM7238-R                                                                                           |
| SENSING DISTANCE                 | 15m                                                                                                 |
| PACKAGING                        | Bulk                                                                                                |
| ORIENTATION                      | Side View                                                                                           |
| OPERATING TEMPERATURE            | -10°C ~ 75°C (TA)                                                                                   |
| MOUNTING TYPE                    | Through Hole                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DETAILED DESCRIPTION             | Remote Receiver Sensor, 37.9kHz 15m Through Hole                                                    |
| CURRENT - SUPPLY                 | 500μA                                                                                               |
| B.P.F. CENTER FREQUENCY          | 37.9kHz                                                                                             |
