| DESCRIPTION                       | IC OPAMP VGA 40MHZ 16SOIC                                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                                    |
| DATA SHEET                        |  <a href="#">AD605AR-REEL7.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 5.5 V                                                                                                         |
| SUPPLIER DEVICE PACKAGE           | 16-SOIC                                                                                                               |
| SLEW RATE                         | 170 V/μs                                                                                                              |
| SERIES                            | X-AMP®                                                                                                                |
| PACKAGING                         | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                    | 16-SOIC (0.154", 3.90mm Width)                                                                                        |
| OUTPUT TYPE                       | -                                                                                                                     |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                          |
| NUMBER OF CIRCUITS                | 2                                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                                    |
| DETAILED DESCRIPTION              | Variable Gain Amplifier 2 Circuit 16-SOIC                                                                             |
| CURRENT - SUPPLY                  | 18mA                                                                                                                  |
| CURRENT - OUTPUT / CHANNEL        | 40mA                                                                                                                  |
| CURRENT - INPUT BIAS              | 400nA                                                                                                                 |
| BASE PART NUMBER                  | AD605                                                                                                                 |
| AMPLIFIER TYPE                    | Variable Gain                                                                                                         |
| -3DB BANDWIDTH                    | 40MHz                                                                                                                 |
