

SSI Technologies, Inc.

Part Number: P51-100-S-R-I36-20MA-000-000

Manufacturer/Brand: SSI Technologies, Inc.

Product description: SENSOR 100PSIS M12 4-20 MA

Datasheets: [P51-100-S-R-I36-20MA-000-000.pdf](#)

RoHS Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of P51-100-S-R-I36-20MA-000-000

|                                 |                                                                                          |
|---------------------------------|------------------------------------------------------------------------------------------|
| PART NUMBER                     | P51-100-S-R-I36-20MA-000-000                                                             |
| MANUFACTURER                    | SSI Technologies, Inc.                                                                   |
| DESCRIPTION                     | SENSOR 100PSIS M12 4-20 MA                                                               |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                                               |
| DATA SHEET                      | <a href="#">P51-100-S-R-I36-20MA-000-000.pdf</a>                                         |
| VOLTAGE - SUPPLY                | 8 V ~ 30 V                                                                               |
| TERMINATION STYLE               | Cable 3'                                                                                 |
| SUPPLIER DEVICE PACKAGE         | -                                                                                        |
| SERIES                          | MediaSensor™                                                                             |
| PRESSURE TYPE                   | Sealed Gauge                                                                             |
| PORT STYLE                      | Threaded                                                                                 |
| PORT SIZE                       | Male - M12 x 1.0                                                                         |
| PACKAGE / CASE                  | Cylinder                                                                                 |
| OUTPUT TYPE                     | Analog Current                                                                           |
| OUTPUT                          | 4 mA ~ 20 mA                                                                             |
| OTHER NAMES                     | P51-100-S-R-I36-20MA<br>P51-100-S-R-I36-20MA-ND                                          |
| OPERATING TEMPERATURE           | -40°C ~ 105°C                                                                            |
| OPERATING PRESSURE              | 100 PSI (689.48 kPa)                                                                     |
| MAXIMUM PRESSURE                | -                                                                                        |
| MANUFACTURER STANDARD LEAD TIME | 7 Weeks                                                                                  |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                                               |
| FEATURES                        | Amplified Output, Temperature Compensated                                                |
| DETAILED DESCRIPTION            | Pressure Sensor 100 PSI (689.48 kPa) Sealed Gauge Male - M12 x 1.0 4 mA ~ 20 mA Cylinder |
| ACCURACY                        | ±0.5%                                                                                    |
