An IXYS Company

Zilog

Z87C3304PECR5467

Part Number:

Z87C3304PECR5467

Manufacturer/Brand:

Zilog

Product description

IC MCU 8BIT 4KB ROM 28DIP

Datasheets:

 Z87C3304PECR5467.pdf

RoHs Status

 Contains lead / RoHS non-compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of Z87C3304PECR5467

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | Z87C3304PECR5467                                                                                         |
| MANUFACTURER                     | Zilog                                                                                                    |
| DESCRIPTION                      | IC MCU 8BIT 4KB ROM 28DIP                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                       |
| DATA SHEET                       |  Z87C3304PECR5467.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 5.5 V                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 28-DIP                                                                                                   |
| SPEED                            | 4MHz                                                                                                     |
| SERIES                           | Z8®                                                                                                      |
| RAM SIZE                         | 236 x 8                                                                                                  |
| PROGRAM MEMORY TYPE              | ROM                                                                                                      |
| PROGRAM MEMORY SIZE              | 4KB (4K x 8)                                                                                             |
| PERIPHERALS                      | POR, WDT                                                                                                 |
| PACKAGING                        | Tube                                                                                                     |
| PACKAGE / CASE                   | 28-DIP (0.600", 15.24mm)                                                                                 |
| OSCILLATOR TYPE                  | Internal                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                       |
| NUMBER OF I/O                    | 24                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                       |
| EEPROM SIZE                      | -                                                                                                        |
| DETAILED DESCRIPTION             | Z8 Z8® Microcontroller IC 8-Bit 4MHz 4KB (4K x 8) ROM 28-DIP                                             |
| DATA CONVERTERS                  | -                                                                                                        |
| CORE SIZE                        | 8-Bit                                                                                                    |
| CORE PROCESSOR                   | Z8                                                                                                       |
| CONNECTIVITY                     | -                                                                                                        |
