| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                |
| VOLTAGE - INPUT                  | -                                                                          |
| SUPPLIER DEVICE PACKAGE          | 36-TQFN (6x6)                                                              |
| SERIES                           | -                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 36-WFQFN Exposed Pad                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                               |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DETAILED DESCRIPTION             | Power Supply Controller Power Supply Controller/Monitor 36-TQFN (6x6)      |
| CURRENT - SUPPLY                 | 12mA                                                                       |
| BASE PART NUMBER                 | MAX16064                                                                   |
| APPLICATIONS                     | Power Supply Controller/Monitor                                            |
