| VOLTAGE - SUPPLY                 | 3 V ~ 30 V                                                                     |
| SUPPLIER DEVICE PACKAGE          | 8-uMAX                                                                         |
| SERIES                           | -                                                                              |
| PACKAGING                        | Tube                                                                           |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                         |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                     |
| DETAILED DESCRIPTION             | Load Dump, Voltage Protection PMIC 8-uMAX                                      |
| CURRENT - SUPPLY                 | 260μA                                                                          |
| BASE PART NUMBER                 | MAX16129                                                                       |
| APPLICATIONS                     | Load Dump, Voltage Protection                                                  |
