MAX4377TASA

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | MAX4377TASA                                                                                                          |
| Manufacturer/Brand: | Maxim Integrated                                                                                                     |
| Product description | IC OPAMP CURR SENSE 2MHZ 8SOIC                                                                                       |
| Datasheets:         | <a href="#">1.MAX4377TASA.pdf</a><br><a href="#">2.MAX4377TASA.pdf</a>                                               |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

Specifications of MAX4377TASA

|                                   |                                                                        |
|-----------------------------------|------------------------------------------------------------------------|
| PART NUMBER                       | MAX4377TASA                                                            |
| MANUFACTURER                      | Maxim Integrated                                                       |
| DESCRIPTION                       | IC OPAMP CURR SENSE 2MHZ 8SOIC                                         |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                     |
| DATA SHEET                        | <a href="#">1.MAX4377TASA.pdf</a><br><a href="#">2.MAX4377TASA.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 28 V                                                             |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                 |
| SLEW RATE                         | 10 V/μs                                                                |
| SERIES                            | -                                                                      |
| PACKAGING                         | Tube                                                                   |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                          |
| OUTPUT TYPE                       | -                                                                      |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                          |
| NUMBER OF CIRCUITS                | 2                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                     |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit 8-SOIC                             |
| CURRENT - SUPPLY                  | 1mA                                                                    |
| CURRENT - INPUT BIAS              | 800μA                                                                  |
| BASE PART NUMBER                  | MAX4377                                                                |
| AMPLIFIER TYPE                    | General Purpose                                                        |
| -3DB BANDWIDTH                    | 2MHz                                                                   |
