

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:MM74C907N

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC BUFFER NON-INVERT 15V 14DIP

Datasheets:

MM74C907N.pdf

RoHs Status:

Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

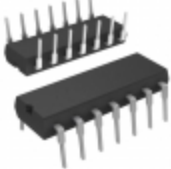

Specifications of MM74C907N

|                                  |                                                                                                   |
|----------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MM74C907N                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                              |
| DESCRIPTION                      | IC BUFFER NON-INVERT 15V 14DIP                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| DATA SHEET                       |  MM74C907N.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 15 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 14-PDIP                                                                                           |
| SERIES                           | 74C                                                                                               |
| PACKAGING                        | Tube                                                                                              |
| PACKAGE / CASE                   | 14-DIP (0.300", 7.62mm)                                                                           |
| OUTPUT TYPE                      | Open Drain                                                                                        |
| OTHER NAMES                      | 74C907<br>74C907N                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                 |
| NUMBER OF ELEMENTS               | 6                                                                                                 |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                                 |
| MOUNTING TYPE                    | Through Hole                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| INPUT TYPE                       | -                                                                                                 |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 6 Element 1 Bit per Element Open Drain Output 14-PDIP                       |
| CURRENT - OUTPUT HIGH, LOW       | -                                                                                                 |
| BASE PART NUMBER                 | 74C907                                                                                            |
