|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SI1025-A-GM                                                                                                  |
| Manufacturer/Brand: | Energy Micro (Silicon Labs)                                                                                  |
| Product description | IC RF TXRX+MCU ISM<1GHZ 85-VFLGA                                                                             |
| Datasheets:         | <a href="#">1.SI1025-A-GM.pdf</a><br><a href="#">2.SI1025-A-GM.pdf</a>                                       |
| RoHS Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

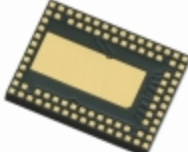

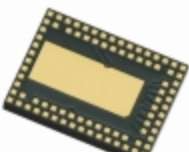

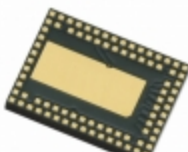

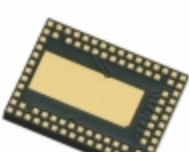

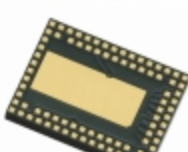

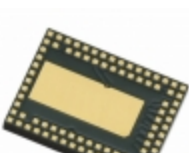

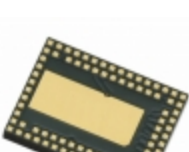

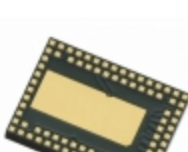

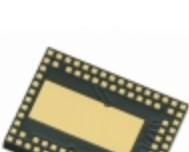

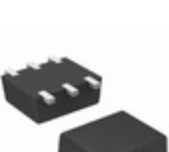

Specifications of SI1025-A-GM

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|
| PART NUMBER                      | SI1025-A-GM                                                            |
| MANUFACTURER                     | Energy Micro (Silicon Labs)                                            |
| DESCRIPTION                      | IC RF TXRX+MCU ISM<1GHZ 85-VFLGA                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DATA SHEET                       | <a href="#">1.SI1025-A-GM.pdf</a><br><a href="#">2.SI1025-A-GM.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 3.8 V                                                          |
| TYPE                             | TxRx + MCU                                                             |
| SERIES                           | -                                                                      |
| SERIAL INTERFACES                | I <sup>2</sup> C, SPI, UART                                            |
| SENSITIVITY                      | -121dBm                                                                |
| RF FAMILY/STANDARD               | General ISM < 1GHz                                                     |
| PROTOCOL                         | EZRadioPro                                                             |
| POWER - OUTPUT                   | 13dBm (Max)                                                            |
| PACKAGING                        | Tray                                                                   |
| PACKAGE / CASE                   | 85-VFLGA Exposed Pad                                                   |
| OTHER NAMES                      | 336-2178<br>SI1025AGM                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                          |
| MODULATION                       | FSK, GFSK, OOK                                                         |
| MEMORY SIZE                      | 64kB Flash, 8.5kB RAM                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| GPIO                             | 53                                                                     |
| FREQUENCY                        | 240MHz ~ 960MHz                                                        |
| DETAILED DESCRIPTION             | IC RF TxRx + MCU General ISM                                           |
| DATA RATE (MAX)                  | 256kbps                                                                |
| CURRENT - TRANSMITTING           | 17mA ~ 30mA                                                            |
| CURRENT - RECEIVING              | 18.5mA                                                                 |
