| DESCRIPTION                       | IC OPAMP CHOPPER 1.5MHZ 8SOIC                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| DATA SHEET                        |  <a href="#">TC913ACOA713.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 7 V ~ 16 V, ±3.5 V ~ 8.3 V                                                                                           |
| VOLTAGE - INPUT OFFSET            | 5µV                                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                               |
| SLEW RATE                         | 2.5 V/µs                                                                                                             |
| SERIES                            | -                                                                                                                    |
| PACKAGING                         | Tape & Reel (TR)                                                                                                     |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                        |
| OUTPUT TYPE                       | -                                                                                                                    |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                                                           |
| NUMBER OF CIRCUITS                | 2                                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                        |
| MANUFACTURER STANDARD LEAD TIME   | 10 Weeks                                                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| GAIN BANDWIDTH PRODUCT            | 1.5MHz                                                                                                               |
| DETAILED DESCRIPTION              | Zero-Drift Amplifier 2 Circuit 8-SOIC                                                                                |
| CURRENT - SUPPLY                  | 650µA                                                                                                                |
| CURRENT - INPUT BIAS              | 90pA                                                                                                                 |
